Plumbing and Irrigation

We stock a range of plumbing and irrigation fittings and pipe.

PVC Pipe and Fittings

In our PVC pipe and fitting range we keep bends, slip sockets, threaded sockets, tees, socket reducers, rubber connectors, threaded caps, push on caps and saddles in the 40mm, 50mm, 90mm and 100mm. We keep 6m lengths of 40mm, 50mm, 90mm and 100mm pipe in stock as well.

We also stock a variety of different PVC cements for all different types of jobs. We have a small selection of different mixers and taps for your bathroom and kitchen, as well as shower heads. We carry all different types of tap washers and tap valves to fix your leaking and broke taps.
